Depoimentos dos usuários

★★★★★

Although this is well intentioned and the goal certainly is to reduce the quantity of these bothersome thoughts, the technique is inherently flawed.

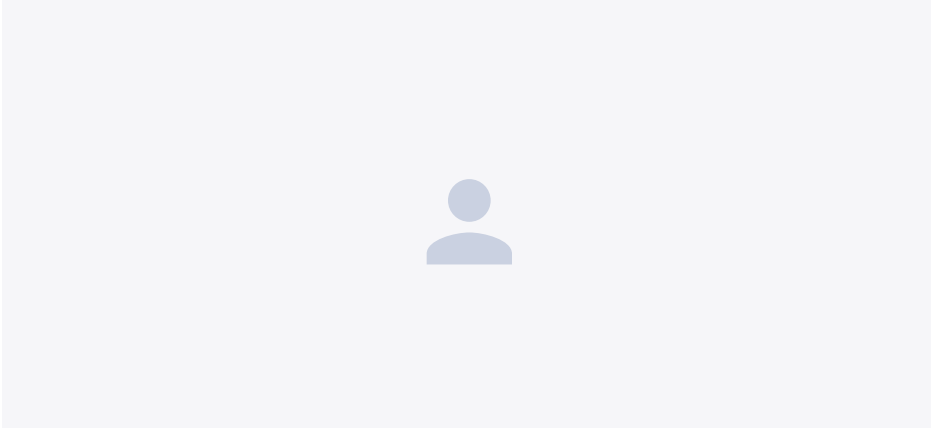

PROFESSOR SICRANO

★★★★★

The only moment, the only life we have is in the NOW. What happened a few moments or several years ago is gone, what will happen this evening.

LUMA SEIXAS, PROFESSORA DOUTORA UFBA

★★★★★

Requiring the individual to remember what not to think of infers that they have already thought it.
